

Dear Missouri Rent-To-Own Dealers, Employees and Vendors:

Our MRDA PAC Fund has become one of the best known PAC'S in Jefferson City. This would not be possible without the great support we have received from our contributors over the last three years. Without your support there would not be a PAC.

Our job is never done and this year facing a wave of "Anti-Business" sentiment, it is more important than ever that we keep our PAC strong.

Contributions go to help state-wide political candidates and associations who are friendly to, or who can help our industry.

Unlike Federal PACs, the MRDA PAC may accept personal or corporate contributions. It is important to remember that PAC contributions are not tax deductible, but may be the best investment in your business future that you can make. Everyone who makes their living in or from the Rent-To-Own business SHOULD be a contributor.

We have established five levels of contributions to the PAC fund. No contribution is too small!

2010 Contribution levels:

- | | |
|--------------------|---------------|
| 1. Platinum Level | \$500.00 plus |
| 2. Gold Level | \$300.00 |
| 3. Silver Level | \$200.00 |
| 4. Bronze Level | \$100.00 |
| 5. Supporter Level | \$ 25.00 |
